About this Newsletter:

Information within is offered for the edification of the Chapter membership without any claims by Harley-Davidson Motor Co., the sponsoring dealer, HOG, Chapter officers or the editor as to accuracy and correctness. Use ride line to verify time, date!
 (Contact Kent [redacted] or fax [redacted] to provide chapter news.) Thanks.

From the Director:

August 1997

Another busy month for most of us!! Lots of people made trips to different places, Hollister, Bridgeport, and other smaller runs. I hope everyone had some good times and safe riding.

As most of you know, we did not have a July meeting because of the holiday, but we will be back on August 1st with another BBQ dinner, thanks to the Babcocks and all you who bring in that wonderful food! I've got to cut back, too many calories!!

This next month on the 24th is our annual "Queens R Wild" Poker Run. Anyone wanting to get involved with the layout, poker stops, set-up, or anything else, please contact me or Kim Wallace. Your help is greatly appreciated in these events, and will help make the run enjoyable and fun for everyone. There are also many other runs sponsored by the other clubs coming up, check their ride lines and the calendar to find out the "when and where".

I have had some conversations with other clubs in the area and one thing has caught my attention. That has to do with "cliques". There seems to be some concern among the members of these clubs that they are being excluded from being part of the "family". I had looked to our own club to see if it is happening here! I hope that no one is offended that some of the members choose to ride with small groups or just by themselves. You have to realize that being a Harley owner/rider is a very personal experience with most of us. There are times when you just have to go by yourself

to clear the cobwebs out from a long work week. I'm sure most of you know what I'm talking about. The bottom line is: if anyone thinks they're being slighted, I apologize, it is not intentional and certainly not in keeping with the main premise of being a HOG chapter.

Ride safe.

Mike

Notes from the Editor:

Please accept the apologies of the entire newsletter staff for the unusual format of this particular issue of the newsletter. You see, the trusty computer which is used to put the newsletter together each month is at the repair shop at this writing. So this issue is a cut and paste job, and somewhat abbreviated at that. Just a couple of other thoughts to express:

First, it was a great time at the party last month and special thanks go to Bob and Alice for a beautiful day!

Also, we all need to realize how hard Richard and Suzanne worked at getting the pig roasted! Richard's mom, Beverly related a story that would make a grown hog cry. The day of the roast was a lot of work for the Duncans and reflected a lot of planning.

Finally, I want to relate in a few words, what a fantastic experience the Hollister Rally trip was for me! At least half the fun was just riding to the event and back, 1236 miles in all. From our Chapter, Mike, Cindy, Bill, Mike, J.D., Roberta, Cliff and Gary. There were probably others, too! Happy Motoring! *Kent*
