About this Newsletter

Information within is offered for the edification of the Chapter membership without any claims by Harley-Davidson, Motor Co., the sponsoring dealer, HOG, Chapter Officers or this editor as to accuracy and correctness. Use ride line to verify time and date! (Contact Kent or Linda [redacted] for possible chapter news.) Thanks

From the Director...

As I write this on August 11th, the dog days of summer are here. I guess tropical storm Frank supplied the humidity, and during the ride which Richard Duncan led to Temecula yesterday, a little rain as well!

If you're not in on my September 19/20 L.A. overnigher yet, there may still be a chance. Call me! Also looking ahead, check out the ride lines for information on the San Diego HOG Annual Poker Run on the 6th, Oceanside's Julian Apple Pie Run on the 13th and the Chula Vista Swap Meet on the 20th.

Two of our most faithful members share the job of Editor this year. In addition to motorcycle riding, Linda and Kent Kyle also enjoy hiking (they actually met while backpacking!), diving and travel. They have been to Hawaii, the Barrier Reef and Greece in the past couple of years.

Kent is an Engineering Project Manager at Logicon and Linda works at Alvarado Hospital and is pursuing a doctorate in nursing. Kent and Linda are very proud to be coming up on their silver wedding anniversary next year. Our many thanks for the Kyles' dedication to ECHOG.

This year is really flying by. If you are like me and like to plan ahead it is time to start thinking about ECHOG officers for 1999. Since we will not have a meeting in December, it's now time to start thinking about how you can contribute to ECHOG next year. If you have any interest in being an officer for our group, give me a call. We will probably do nominations in October and have elections in November. Serving ECHOG is a little work, but like most volunteer efforts, it is rewarding and the time really does whiz by.

And, here's a tip. I would recommend you volunteer for the Director job. It's the easiest! And you should ask me about the perks!

Thanks very much to Pat and Roger Babcock for heading up our BBQ's again this summer, and thanks to everyone who helped them. It is much appreciated by all.

See you at the meeting. Regular meeting time; no more BBQ's this year.

Ride safely. *Larry*

Editor Note: If anyone has a story, a poem, or private motorcycle ad for the newsletter, please give me a call. It's not difficult to arrange a way via mail, phone interview, fax, rendezvous or email to transfer the information from your mind to our computer. Coming up in next month's newsletter is an article by Cliff about his summer solo sojourn to Philadelphia. It would be good to get an article from those of you who went to Sturgis this year. Or stories about any special runs would be welcome. Looking forward to hearing from you soon. Editor.

Always use the Ride Line: 484-6758.
