LETTERS TO THE EDITOR

Welcome to August Everyone.

This month is our last shortened newsletter for this year, at least planned that is. This is one of our hottest months for riding, so please stay hydrated. It is especially hot where I live this month. As a result, I have been parking my bike at a very good friends house in El Cajon to make it easier to ride when I come over. We are currently dealing with a house under construction as well as some parents that are not well. Despite that we try to get over and ride sometimes. I think in October it should get better for us. Please fill out the Survey on the Last Page and turn it in at The August meeting to the front desk.

In last month's newsletter, the National Member number winner was Jack Jenson! Be sure to check for your national member number in this newsletter, you too could be a winner!

Also be sure to continue to turn in your mileage for Ride365. As of this writing (7/22/18) we are in 3rd place Nationally and San Diego is 4th. Please everyone turn in any and all mileage that you can to help your chapter.

Keep up the good work guys and gals!

New for this year Harley Owners Group and EagleRider have teamed up to provide you with two options to participate in a H.O.G. Touring Rally.

Option 1: Limited in time to ride to the start location for the rally or would like to test out a new Harley-Davidson for a longer ride? EagleRider, your logistics and support team for H.O.G. and Harley-Davidson, can both rent you a Harley-Davidson motorcycle and book your discount lodging. This option includes complimentary door-to-door luggage service along with a support chase vehicle through-out the rally.
