**Assistant Director - Ron H.**

Hello Everyone,

July is finally here, and things are getting warm, especially in the desert. Always check the website at [www.elcajonhog.com](http://www.elcajonhog.com) and go to the top of the page and click on "Events". This will open the calendar to let you know of all upcoming events.

This month's meeting Lisa and I will not be attending as we are out on vacation in the south. We will be back for the August meeting.

### **Ride 365 Top Mileage Earners for May**

1st Place – Mike H. with 7220 Miles

2nd Place – Michael & Moriah B. with 3926 Miles

3<sup>rd</sup> Place – Rick S. with 3220 Miles

All miles are calculated based on miles submitted to the Assistant Director at the chapter meeting of each month. This Month's miles are a difference of miles reported at the May Meeting and the June Meeting. If no miles were reported to the Assistant Director at either one of those two then no calculation exists. Based on these criteria, there were only 15 entries for consideration.

Starting with April, we will be tracking all Ride365 Miles for each month and awarding a gift card to the mileage leader for each quarter beginning with the 2<sup>nd</sup> quarter (April, May & June), one gift card available per person per year.

It is very important to report miles every month and if you have not started to earn Ride365 Miles, see the Assistant Director to get started.

Membership Officer – Denise H.

Greeting H.O.G. Family!

It is hard to believe that half the year is over! Here we are in the summer, with lots of rides planned. Thanks to Lulu for a great ride before we headed to the picnic. Fun was had by all!

Speaking of El Cajon H.O.G. members and fun, our new number is now **182!**

With it being summer, that means that Membership is now at a lower rate of \$15.00 for the rest of the year! That's right, only \$15.00!

I must mention that to become a member, the most important rule of all is that you **must be a National H.O.G. member first**. All you need to do is go to [members.hog.com](http://members.hog.com) and register. This is for those that bought a bike independently or have had a bike for years.

If you bought a bike at El Cajon Harley-Davidson, you get a free year of national membership and can join in on the local level. You will just need to keep up with your dues at the National level every year, so you can join in on the fun at the local level every year.

Ladies, if you don't have your own bike, you can join in too by buying an Associate membership on your spouses National membership. Costs less and you can have all the same benefits at the El Cajon H.O.G. Chapter!! So much fun you will have, riding with other folks with Harleys. It is a great experience.

Should there be any changes, like addresses, or last names, just give National H.O.G. a call at 1-800-ClubHog. They will help you out quickly.

Let me know if you are not getting your eblasts from Raul, and I will get that corrected A.S.A.P., so you can get the latest news of rides, events, or meetings.

Also if you want a name patch on your vest, just come see me. I will hook you up.

Enough Talk! LET'S RIDE!!

### Head Road Captain — Paul R.

Summer is off to a great start! I would like to welcome our newest Road Captain, Martin Reese. That makes 28 and one Candidate and I hear that two more may want to start the Road Captain Program. We should have a lot of rides this summer!

We have lost a much loved member of our HOG Family. Van's Memorial Ride will start at the Dealership at 10AM on July 7<sup>th</sup>. I miss talking with him. One time after a ride, we stayed and talked for about an hour and a half. Among other things, we talked about when he worked at DOW, both installed car stereos, and that I may have bought some of my units off him. He was a great guy.

MDA Camp What a fun event! We all showed up for the kids! Wally in his Sling Shot led us up and gave many kids a ride! Two Spyders were a big draw and the campers lined up for

rides, and then nine Trikes were lined up to give rides too! All you have to do is look at the photos and see the smiles on the Campers. It

makes it worth all the time and effort that goes into this to make it happen each year.

Thank you to the support

staff who loaded and unloaded the campers. I would also like to thank the Dealership for making it possible for me to attend this year. If you didn't hear my rear axle had an issue. Britney in the Service Department worked on getting the part, it took six weeks. With her help and Brett's, we got the part in just the nick of time for the MDA Ride. It was all hands on deck getting the part installed. Thanks!
